

Assessment Instructions

Dear Students

Please read the following instructions thoroughly:

- Please make sure that you have only one account under your first name, middle name and last name and this account is the same one in all subjects' classrooms
- Each student will have the chance to solve the assessment only once. Logging in from other account or answering more than once will lead to cancelling the student's assessment
- Be ready before the start of the exam no accepted exams after time is over for any reason.
- Students have different internet resources like WiFi or data /hotspot to insure that you can take your exam on time.
- Make sure to write your email correctly.
- Grade 12 students have two assessment sessions on Sunday 5th April (see your schedule)
- Grade 10 students have two assessment sessions on Thursday 9th April (see your schedule)
- Scores will be emailed to Parents (SMS will be sent to parents for details)
